## New Release: A Light in the Depths

*Virginia* – Loremark Publishing will release a new novel by Christopher C. Fuchs, a writer of epic adventure, on February 8, 2020. Independent bookstore One More Page Books of Arlington, Virginia will host the book launch, which was featured in *Arlington Magazine's* “24 Things To Do in February” and in *The Washington Post* Literary Calendar for February 2020.

*A Light in the Depths* is available for pre-order in e-book, paperback, and hardback formats from major retailers, local bookstores, and the Loremark storefront at Gumroad (<https://gumroad.com/loremark>). The book was professionally edited by Anne McPeak and Tricia Callahan.

The nearly 600-page *A Light in the Depths* is the second of a two-part prequel to Mr. Fuchs’s October 2019 debut, *Lords of Deception*. All of his works are set in the world of Earthpillar, in which the Earth evolved differently: new continents, new peoples, and materials with alternative properties. Every Earthpillar book and short story is connected and spans from prehistory to the steam age. The books will appeal to fans of epic fantasy, historical fiction, and action & adventure.

Step out of Rildning’s journal and into the conquest and exodus across the New World, two years after *The Depths of Redemption*. Suffering heavy losses in a widening war with the Empire, Rildning and his companions fan out across the continent to persuade other tribes to join in a common defense. But Rildning discovers that ancient tribal rivalries die hard and many remain suspicious of him. And he has another problem: his journal now lays in the hands of Marshal Hilsingor, the ruthless imperial commander of the Frontier Corps. Knowing his enemy well, Hilsingor is determined to undermine Rildning’s efforts and eradicate the tribal resistance. The outcome will define Rildning’s unique legacy, one that will fever the dreams of kings for generations.

*A Light in the Depths* (Origins of Candlestone #2)

E-book ISBN: 978-1-946883-05-6

“This book was a delight to write because I needed to create a whole continent of diverse tribal cultures,” says Mr. Fuchs of *A Light in the Depths*. “Readers who enjoyed Rildning’s romp through the wilderness in the last book will want to see how he tries to unite the tribes against colonialism.”

Readers can learn more about the world of Earthpillar at Mr. Fuchs's website (<https://earthpillarbooks.com>). Subscription to the roughly monthly Earthpillar newsletter provides two free e-book novelettes, discount codes on other books, and updates on new releases. Mr. Fuchs can also be found on Goodreads and Twitter (@ChrisCFuchs).

**“A Powerful Follow-up”**

“a powerful follow up to that cliff-hanger he left us with [in *The Depths of Redemption*]! ...just can't be put down, even for toilet breaks... well-paced and thoroughly engaging. It also left a lot of room for future books, which is exciting.”
